REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art fails to teach, disclose, or suggest, either alone or in combination, a laser chamber comprising: a first direction beam expander to expand a laser beam in a first direction; a second direction beam expander to expand a laser beam in a second direction; and a grating.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

No. 3,734,599) discloses a vertical deflector (16) and a horizontal deflector (20) (see fig. 1).
